PREIDENT'S MESSAGE

The kick-off event for this year's activities will be the annual golf tournament. This has always been one of our most popular events, thus we look forward to your full support. Our thanks to all those responsible for organizing the tournament.

Attached you will find this year's chapter invoice. While we have had to increase fees due to such things as higher meal costs, the final amounts still represent excellent value for your money. In order to keep our records updated, we ask that you fill in the invoice completely. Your assistance in this matter will result in better service.

Also on the form is a spot for volunteering for committees. While it is aimed at new members, we would like everyone to participate. Those who get involved end up getting much more out of ASHRAE than they contribute. If you can only spare 2 hours once a month, state this on the committee of your choice. There are many small tasks to be done. Our goal is to divide them among everyone.

In the Meantime, please help promote ASHRAE to potential new members. Carry society and chapter membership forms in your briefcase. Let's make the Ottawa Valley Chapter the leading contender for Region II.

Chris Frauley

TABLE TOP DISPLAY

As you may be aware from last year, Chapter members are now permitted to sponsor Table Top Displays of products, services, equipment and systems, subject to the following restrictions:

- the display will not interfere with the technical or business session;
- the surface area of the display is limited to 4 dinner tables placed adjacent to each other;
- only one display per Chapter Meeting will be approved.

This presents a good opportunity to raise the profile of your company's products and services to a broad audience of fellow Chapter members and guests. Reservations with advanced payment are now being accepted for the displays at our upcoming 8 Chapter meetings, at a cost of \$200, per monthly display. Please contact Ross McIntyre at 727-5111 for further details.
